

More heavy work at the club

by

Today the other side of the drive way was finished off, the retaining wall cleaned up and the long awaited shoring up of the cliff face in the launching area.

A great days work leaving the club looking great and the launching area much safer and with more space.

Comment Guidelines: The SportsTG Network is made up of players, families and passionate sports followers like you who have a strong opinion about sport. That's great - we want you to have your say and share your thoughts with the world. However, we have a few rules that you must follow to keep it fun for all. Please don't be rude, abusive, swear or vilify others. Apart from some pretty serious sport sanctions, we also can ban you and report you if things get out of hand. So play fair and have fun, and thanks for your contribution.
